

	EU Declaration of Conformity Servidrone1000C5 CAPTIF (tethered)	Version: 02 Date of application: 19/02/2026
---	--	---

The undersigned **François HOUSSARD** declares that the **UAS Servidrone1000C5** is class **C5** and has a guaranteed sound power level of **93 dB**

This drone is still attached to the ground (tethered)

Class	Manufacturer	Type	Model
C5 (tethered)	François HOUSSARD (Servidrone31)	Multirotor	Servidrone1000C5 captif

François HOUSSARD used his internal manufacturing controls (Delegated Regulation (EU) 2019/945 PART 7 module A of the evaluation) to establish the compliance of the Servidrone900 multirotor drone.

François HOUSSARD declares under his responsibility as designer and manufacturer of the multirotor that it complies with the essential elements of the standards and normative documents established by Delegated Regulation (EU) 2019/945 of 12 March 2019 on unmanned aircraft systems. The harmonised standards below have been applied.
